Shatter your 5 senses! Savor the terror together!

Panic Sensors!

As you play your heart rate is checked and your panic attacks are recorded. You'll see your real heart rate!

Sensors on the grip of the gun check your panic level!

5.1 surround sound!

Each player has their own set of rear speakers. All together, there are 7 speakers + 1 woofer. You'll feel the monster's roars in the depths of your ears!

Seat has sudden, powerful vibration that strikes true terror!

The seat combines with the already shocking visuals to make you directly feel each quaking step the massive monsters take! Can you stay in your seats until the end?

Monsters leap from the screen in 3D!

An experience beyond anything at the local amusement park. Can you survive the horrors leaping out at you?

They're coming...

It's coming at us!

Two types of air blasts will strike!

Goose bumps will rise as you feel monster's breath on your neck and monsters leap from the screen combined with air blasts.

My neck feels tingly...

I felt that monster's breath on my face!
