The real cinematic experience of Dome Screen is here!!

Absolute realistic sensation!
Never before experienced cinematic of being
"embraced within the sky"

The dome screen covering all your sight depicts the sky as real as it can be!
Actually sitting in the jet fighter cockpit, enjoy the feeling of floating and welcoming dizziness as if really flying in the air!

Destroy the enemy aircraft
with simple controls!
Anyone can become an ace pilot

With simple controls of just shooting missiles aimed at the enemy aircraft right in front, enjoy the sense of exhilaration of freely flying in the sky and destroying the enemy one after the other!

Variety of breathless situations
as if in Hollywood movies!

Experience becoming spontaneously chilled with situations like barely flying through buildings collapsing and explosions of huge aircrafts!

Equipped with gimmicks
to experience the impact of
explosions and destruction!

Blast Fan
Feel the wind flying in sonic speed!

Controller Vibration

Experience the repercussion from shooting the machine gun and missiles!

Seat vibration
Feel the blow from explosions and deep bass sounds with your whole body!

Utilizing the back window and slim smoke door
enabling the screen to be seen from outside,
this game will become No.1 in visibility in the store!
