BASIC SYSTEM: EASY FOR EVERYONE!

Sweep though enemies with your "PSYCHO-SHOT"!

"PSYCHO-SHOT" locks on to multiple enemies.
It pierces hidden and fast moving targets in one shot!

Shoot like an expert with easy to control inputs!

Aim enemies while holding the trigger to lock on! Release the trigger to fire the "PSYCHO-SHOT"!

Normal shot for precision shooting!

Tap the trigger to shoot normal shots quickly.

Expert players gain added bonuses for combo shots!

Shoot and Hide! "Action Pedal System" returns!

Employs the same basic system of the smash hit series, "Time Crisis".

Release the pedal to hide!

Step on the pedal to shoot!

POWER-UP FEATURES AND EXCITING STORIES ATTRACT REPEAT PLAYERS!

Strengthen and customize your PSYCHO-GUN!

Players can customize their PSYCHO-GUN while clearing the story mode.
Even beginners can challenge the final stages with a reinforced PSYCHO-GUN.

"Power", "Number of lock-on", "Range of lock-on" can be customized.

Select your favorite stage!

Since the players can select their starting stage they can continue from their last run or just play their favorite stage over and over.

New stories opens by clearing a story!

By clearing each story, the next story appears.
It stimulates player's will to continue playing.

PERFECT REALIZATION OF THE WORLD OF COBRA.

The battle between COBRA the space pirates and the Pirate Guild are perfectly simulated! The breath taking speed and thrilling story featuring characters from the original comics will overwhelm players. Our original CG brings the world of COBRA to life!

What is Space Adventure COBRA?

COBRA is a mega-hit comic by Buichi Terasawa, which started on 1977 in Weekly Shonen Jump magazine and still continues episodes in Comic Flapper magazine. The comic book series has been published over 20 million times and has been translated into ten or more languages. TV animation series and animation movie were also big hits.

DUAL MONITOR CABINET WILL DRAW PLAYERS!

Added to the normal single play, players can select "cooperative play" like Time Crisis series and separate play in which 1P and 2P players play different roles.

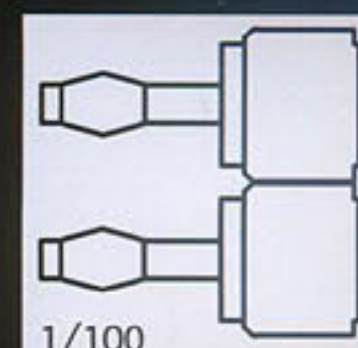

1P SCREEN

2P SCREEN

In the "cooperative play", 1P player performs COBRA and 2P player COBRA's partner "Armarmoroid Lady". The screens show different perspectives of the same game.
